Pinnacle Installs PBX & Surveillance Systems For New Ocean Front Hotel

Residence Inn
300 Seabay Ln
Ocean City, MD

The recently opened luxury hotel invites guest to experience a premier waterfront destination in Ocean City, MD, at the Residence Inn Ocean City/Bayfront. The hotel is located in downtown Ocean City near the Roland E. Powell Convention Center and the Route 90 Bridge is within minutes of local favorites like Fager's Island, Seacrets Restaurant/Nightclub and Lighthouse Sound Golf Course.

The hotel offers 150 spacious and stylish tech-savvy guest suites outfitted with large work-spaces and invigorating amenities, many of which offer panoramic views of the bay. The hotel offers suites with separate areas for living and sleeping, as well as wireless Internet access, and fully furnished kitchens that comfortably accommodate extended stays.

Included is a complimentary daily breakfast and free Wi-Fi plus The Market which is open 24/7 for snacks and necessities. There are facilities for events or the available Board Room for a corporate retreat. All just a few minutes from the beach and the Atlantic Ocean.

"I'm very happy to see new hotels like this one, says Bill Mitchell, Pinnacle CEO/VP Hosted Solutions, we have been extremely busy so far in 2018 and our bookings forecast is above our projections. We have a lot of new hotel construction or expansion projects in the works and it's a good sign that the economy is doing much better and more investments are being made."
